**DO NOT ENTER THIS FACILITY
IF YOU HAVE A FEVER.**

You must wear a mask or face covering to enter.

Diners must wear a facemask when not in their seats.

Food and Beverages can only be consumed while seated.

Diners must wear masks while waiting for food and once they have finished eating/drinking.

You can only order food while seated at your table. Only staff can serve food and beverages.

Please be considerate of other diners and restrict your time to 1 ½ hours. Due to the limited seating capacity we would like to give everyone an opportunity to enjoy a dinner out.

We appreciate your patience with us while we try to navigate our way through the new changes.
